5           **Special Condition # 20:** You shall abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Mr. Peterson is alleged to have violated his conditions of supervised release by stalling on a random urinalysis test at Pioneer Human Services on or around August 23, 2024.

Mr. Peterson is enrolled in random urinalysis testing with Pioneer Human Services (PHS). He is expected to call the testing line daily to determine if he is required to report that same day for a urinalysis test.

PHS advised that Mr. Peterson stalled/failed to produce a urine sample when instructed to do so.

6           **Special Condition # 20:** You shall abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** It is alleged Mr. Peterson violated his conditions of supervised release by consuming a controlled substance, methamphetamine, on or around August 17, 2024.

Mr. Peterson reported to the U.S. Probation Office on August 23, 2024, at approximately 12:30 p.m., shortly after stalling on his urinalysis test.

For approximately 1 ½ hours, Mr. Peterson continued to have issues providing a valid urine sample. When the conversation led to the undersigned officer placing a sweat patch on Mr. Peterson, he finally admitted to using methamphetamine on or around August 17, 2024. He signed an admission form.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court **issue a WARRANT**.
